### **Ascot - The Best Interior Designers in Melbourne**

Established in 1976, Ascot Commercial Interiors are the premier corporate & commercial interior decorators in Melbourne, Australia. With a long list of clients including local and national businesses, schools, training organisations and more, our consultants have the experience and resources to create functional, environmentally conscious and (most importantly) great looking interiors for all types of premises. Our custom design process has a consultative approach, our decorators work with you to design the best fit outs and furniture to suit your space. Our team is comprised of some of the most accomplished professional interior design consultants Melbourne wide, with several decades of combined experience in the industry. They understand the needs of businesses in terms of fast turnaround, diligent service and results that represent a real value for money investment in the future of the business. By designing with the individual business in mind, and sourcing quality products that fit with the design concept, Ascot Commercial produce stunning [commercial interiors](#) on time and on budget. Whether you need a full [office fit out](#) with efficient [workstations](#) and [boardroom tables](#) or just a new [reception desk](#) to give your entrance a facelift, our designers have the perfect solution for every unique premises. We operate our company of professional interior design consultants in the Melbourne CBD, giving our services to the city, surrounding suburbs and select inner regional areas by special appointment.
